**Benjamin D. Goldstein** joined the Simmons Firm's San Francisco office in 2011. He has been representing plaintiffs injured by exposure to asbestos, benzene and other toxic substances since 2004. Ben has been the responsible attorney on dozens of multi-million dollar results on behalf of victims suffering from mesothelioma and other forms of asbestos related cancer. His work has involved every phase of litigation, including complex settlement negotiation and trial.

After graduating from College of Charleston, Ben earned his *Juris Doctorate* with honors from the University of San Francisco School of Law. He is licensed to practice law in California and South Carolina. Additionally, he is a member of the American Association for Justice, the Consumer Attorneys of California and the San Francisco Trial Lawyers Association.

Ben is conversationally proficient in Spanish and Mandarin Chinese.
