Shareholder Perry Browder is the head of the asbestos department at Simmons Browder Gianaris Angelides & Barnerd LLC. He has dedicated his career to mesothelioma victims and their families. A veteran of more than 200 mesothelioma cases, Perry has played a key role in some of the largest asbestos verdicts in the country, including a \$250 million verdict against U.S. Steel.

Perry is active on the Illinois Bar Foundation's board, supporting charitable legal work for the less fortunate.

Perry joined the firm 2001 and has extensive experience as both a plaintiff and defense attorney. He has handled complex litigation throughout Illinois and around the country.

Set up a free case consultation with an experienced mesothelioma lawyer today.
