Attorney Cody Favilla joined the Simmons firm after earning his J.D. from Saint Louis University in 2006. He is member of our mesothelioma and asbestos discovery team, which is dedicated to discovering and exposing what big business knew about--and did about--the dangers of chemicals and asbestos.

Cody completed his undergraduate degree in sociology at Colorado's Fort Lewis College and was a juvenile probation officer for the State of Colorado before moving to Illinois in 2001.
