

Verdicts & Settlements

With the attorneys and staff of the Simmons Law Firm on your side, you can rest easy that tremendous experience and knowledge, combined with significant resources and commitment, are hard at work for you.

Since 1999 Simmons Browder Gianaris Angelides & Barnerd LLC has represented thousands of clients throughout the country and have recovered over \$3 billion in verdicts and settlements. Our experience in asbestos & mesothelioma litigation has helped us develop our legal practice in a number of different areas. Our pharmaceutical clients alone have received nearly \$200 million in verdicts and settlements.*

Today, our wide range of legal services include other forms of toxic tort litigation, as well as a robust suite of commercial and intellectual property services. Our IP, commercial, and mesothelioma lawyers in Illinois and California are ready to advise and assist you in getting the legal assistance you require throughout the country.

No matter the issue, the Simmons Law Firm is here to help you at every stage. We will provide you with the information and tools you need to make informed, confident decisions throughout this complex process. This level of experience is absolutely critical to ensure you get the results and the compensation you deserve.

Though every case is different and no results can ever be guaranteed, those are just a few examples of the thousands of clients we have helped over the course of the last decade. We have over 200 employees standing behind you, and we are deeply committed to helping you at every stage of your case and beyond.

** Please note that recovery results vary per client. The recovery amounts in each case reflect the specific facts of that case. Further, recovery amounts in past cases are not a guarantee of future results.*
