LEADERS IN COMPLEX LITIGATION

Simmons Hanly Conroy is a leading national law firm representing individuals and businesses in cases of corporate wrongdoing. With more than 70 attorneys occupying offices in New York, Chicago, St. Louis, Los Angeles, San Francisco and Alton, Ill., the firm files cases originating from all corners of the United States. Our expertise is diverse and our resources are comprehensive.

Our success would not be possible without the many law firms who have placed their trust in us. As we take on larger opponents, it is this unique combination of experience and resources that provides co-counsel with critical support and gives clients the best chance of winning.

To date, Simmons Hanly Conroy has secured over \$5 billion in settlements and shared over hundreds of millions in referral fees. We continue to welcome the opportunity to collaborate with other lawyers and firms on cases.

Areas of Litigation

- ✓ **Mesothelioma & Asbestos** | Companies who used asbestos knew about its deadly consequences, but poisoned a generation of workers and families anyway.
- ✓ **Dangerous Drugs & Medical Devices** | Current pharmaceutical investigations include: Testosterone Replacement Therapy, Xarelto, Invokana, Risperdal, Propecia, Topamax, Zoloft & other SSRIs Birth Injuries, Transvaginal Mesh or DePuy Hip Implants.
- ✓ **Environmental Litigation & Toxic Exposures** | Landfills and manufacturing facilities can pollute the environment and violate EPA regulations. When a community is harmed or individuals become sick, the courts provide recourse.
- ✓ **Contingent-Fee Commercial Litigation** | Legal services for companies and entrepreneurs including anti-trust, intellectual property infringement, fraud, breach of contract, and more.
- ✓ **Consumer Protection & Class Actions** | Litigation that empowers consumers to stand up for their legal rights and hold companies accountable for their bad conduct.
- ✓ **Catastrophic Personal Injuries**

Committed to Our Clients, Our Community

At Simmons Hanly Conroy, we are dedicated to our clients, our employees and our communities. We make it a priority to give back to the people and communities we represent and are one of the nation's leading contributors to cancer research among law firms with more than \$20 million donated.

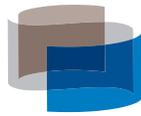

- The firm pledged \$10.2 million to fund a new cancer institute at Southern Illinois University (SIU). The institute is providing extraordinary new resources to enhance treatments and implement the continuing search for a permanent cure. It is the largest single gift in the history of SIU.
- In 2010, the firm started the Simmons Mesothelioma Foundation, a private non-profit organization, that has since donated over \$8 million to support the work of expert medical and scientific researchers who are making advances in mesothelioma treatment options for patients and their families. The firm is also the national sponsor of the foundation's Miles for Meso fundraising event.
- In late 2004, the employees of the firm came together to create a single, streamlined way for them to give back to the communities they are so proud to call home. As a result of their creativity and heartfelt commitment, the Simmons Employee Foundation (SEF), has provided nearly \$1 million of financial support and countless volunteer hours to local charitable organizations.

Simmons Hanly Conroy employees attended the ribbon cutting of the Simmons Cancer Institute, made possible by a \$10.2 million pledge by the firm.
