

Currently Accepting Rideshare Assault Case Referrals Nationwide

If a case involving rideshare assault crosses your desk, we hope you'll think of us. Simmons Hanly Conroy has the experience and resources necessary to hold negligent companies accountable and fight for justice on behalf of your clients.

Rideshare assault lawsuits have been filed by several clients across the country who allege companies like Uber and Lyft failed to:

- Adequately screen drivers
- Implement safety design changes to their apps
- Properly respond to passenger complaints
- Remove drivers who had sexually assaulted passengers

We have female nurses on staff who can listen to your client's story and explain their legal options.

Partner with an Experienced Legal Team with a Continuing Track Record of Results

Simmons Hanly Conroy has secured **over \$11 billion** in settlements and shared hundreds of millions in referral fees. With more than 100 attorneys in offices coast to coast, we are your one-stop litigation partner. We are dedicated to giving others a voice in the legal system and have received justice for thousands of clients nationwide. Our team works hard to ensure your referral fee is secured and that your case receives the personalized representation it deserves.

Our Current Areas of Litigation

We welcome the opportunity to collaborate with other lawyers and firms on the following cases. We will ensure your client gets the best representation possible and that your referral fee is obtained.
